

CANADIAN WOMEN'S CLUB (TEHRAN)

February 20, 1999

Dear Firouzeh,

On behalf of the Canadian Womens' Club, I would like to thank you for your contribution to the success of our Valentine Charity Dinner, which took place at the Canadian Official Residence on February 4, 1999.

Your beautiful angels graced our tables and gave the Ambassador's Residence a very special Valentine ambience. The decoration was an important element in the overall success of the evening, sweeping people away from their day-to-day lives and offering them a little magic and fantasy.

The most important aspect of the evening was the fact that we were able to raise money for the handicapped youth of Tehran. You, who work closely with the women of Haf Te Tir, recognize their needs more than most and you should be proud of your personal role in helping to ease some of their current financial difficulties.

I think we should be naming you an "honorary member" of the Canadian Womens' Club, as you have given so generously of your time and your talents for the causes which our group supports. Thank you most sincerely for everything you have done to help make this recent event such a success.

Warm regards,

Margaret Shisko
