Dear Firouzeh,

On behalf of the Persian Center family, I would like to take this opportunity to thank you for your contribution to and sponsorship of "Norouz Celebration 2005" at The Ritz-Carlton in San Francisco on March 20, 2005, as well as "Shab-e Yalda 2005" event. The donation of your spectacular Norouz "haft seen" was the high-light of the Norouz event and we received many words of praise for your beautiful work. Also, we greatly appreciate your efforts for the Yalda set-up which made the evening much more warm and beautiful. We appreciate your donation of goods and services valued at over \$2000, as well as your spirit of partnership to help keep the Persian culture alive.

This letter acknowledges your charitable donation of approximately \$2000 in goods and services which is tax deductible pursuant to U.S. law, and can be recorded using our Federal Tax ID Number: 94-3159540

We look forward to working together on many projects in the future. Please accept our personal appreciation and gratitude for your willingness to be an integral part of Persian Center. Together, we will build a stronger foundation for our community.

Warmest Regards,

Niloofar Mohtasham-Nouri
